RIICCM209E	Carry out concrete work
RIICCM205F	Carry out manual excavation
RIIWHS202E	Enter and work in confined spaces

*The unit delivery listed as Year 1 may differ for students who commenced in 2024.

Structured Workplace Learning

The Victorian Curriculum and Assessment Authority (VCAA) has determined that Structured Workplace Learning (SWL) is a valuable component of all VET qualifications undertaken by VCE (including Vocational Major) and VPC students.

VCAA strongly recommends that students undertake a minimum of 80 hours of SWL over the duration of the VCE VET Certificate II in Civil Construction.

Further information regarding SWL is available at:

<https://www.vcaa.vic.edu.au/curriculum/vet/swl-vet/Pages/Index.aspx>

Secondary schools are required to organise the Structured Workplace Learning.
