Structured Workplace Learning

The Victorian Curriculum and Assessment Authority (VCAA) has determined that Structured Workplace Learning (SWL) is a valuable component of all VET Delivered to Secondary School students (VDSS) qualifications undertaken.

VCAA strongly recommends that students undertake a minimum of 80 hours of SWL over the duration of the VDSS Certificate III in Emerging Technologies.

Further information regarding SWL is available at:

<https://www.vcaa.vic.edu.au/curriculum/vet/swl-vet/Pages/Index.aspx>

Secondary Schools are required to organise Structured Workplace Learning.
