

22614VIC

Certificate II in Building and Construction Pre-apprenticeship

Stream: Carpentry

About

This introductory course equips you with knowledge and skills to provide basic industry skills and knowledge specific to the carpentry industry and can contribute to gaining an apprenticeship in the building and construction industries (Certificate III level).

You will learn

- ◆ how to prepare for work in the building and construction industry
- ◆ how to identify and handle carpentry tools and equipment.

Location and time

Wednesday or Friday 8.30am–3pm

Sunshine Campus,
438/460 Ballarat Rd, Sunshine North, 3020

Werribee Campus,
229 Hoppers Lane, Werribee, 3030

Duration

2 years part time

Course fees

VU does not charge any fees to students directly to undertake VDSS with us. These fees are in line with the Department of Education & Training fee bands and are charged to the secondary school.

Please contact your Secondary School VET Coordinator for course fees.

Program outcomes

Recognition of Units 1 and 2 and Units 3 and 4 sequence are successfully completed.

This program does not offer scored assessment.

Qualification

22614VIC Certificate II in Building and Construction Pre-Apprenticeship.

Where the full qualification is not completed, a Statement of Attainment is issued for passed units.

Equipment (student to supply)

- ◆ Overalls or workpants with rule pocket
- ◆ Safety boots
- ◆ PPE – earplugs, face mask for dust protection, safety glasses
- ◆ 1 metre folding ruler and 8 metre tape
- ◆ Calculator
- ◆ A4 ring binder, ballpoint pen and notebook
- ◆ Pencils carpenter's and 2H and HB,
- ◆ Set square 45°×200mm (Staedler 56732-45)
- ◆ Scale rule (Kent M62)
- ◆ Nail punch
- ◆ Set of drill bits (up to 6mm)/Countersink bit (for timber)/
- ◆ Pozidrive bit (no. 2)

Course outline

Year 1		Year 2	
CPCCWHS2001	Apply OHS requirements, policies and procedures in the construction industry	VU223312	Prepare for work in the building and construction industry
CPCWHS1001	Prepare to work safely in the construction industry	VU23314	Erect and safely use working platforms
CPCCCM1015	Carry out measurements and calculations	VU23313	Interpret and apply basic plans and drawings
CPCCCM2006	Apply basic levelling procedures	VU23327	Install Interior fixings
CPCCOM1014	Conduct workplace communication	VU23326	Install basic window and door frames
VU23320	Identify and handle carpentry tools and equipment	VU23323	Construct basic wall frames
VU23322	Construct basic sub floor	VU23325	Install basic external cladding
VU23329	Construct basic formwork for concreting	VU23324	Construct a basic roof frame
VU23321	Perform basic setting out	VU23328	Dismantle basic timber structures
HLTAID010	Provide basic emergency life support		

Structured Workplace Learning

The Victorian Curriculum and Assessment Authority (VCAA) has determined that Structured Workplace Learning (SWL) is a valuable component of all VET qualifications undertaken by VCE (including Vocational Major) and VPC students.

VCAA strongly recommends that students undertake a minimum of 80 hours of SWL over the duration of the VCE VET Certificate II in Building and Construction Pre-apprenticeship with a focus on carpentry.

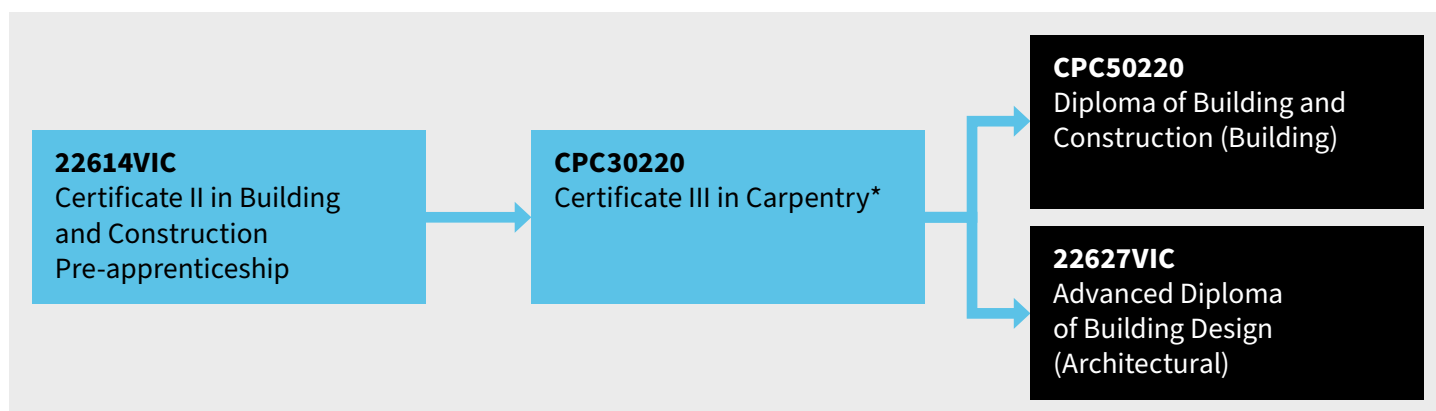

Further information regarding SWL available at <https://www.vcaa.vic.edu.au/curriculum/vet/swl-vet/Pages/Index>

Secondary Schools are required to organise Structured Workplace Learning.
